

INTRODUCING GRABBER'S DRYWALL PATCH REPAIR PROGRAM

5X5-IN OR 8X8-IN MULTI-PURPOSE DRYWALL PATCHES

Introducing Grabber's new professional quality multi-purpose drywall patch repair program. These new perforated patch sheets are ideal for quick repairs to damaged drywall and are flatter and easier to finish over than metal patches. Grabber drywall patches are available in packets of 10, 5x5 or 8x8 sheets.

10 patches included
in each pack

FEATURES:

Perforated Design

The perforated design creates a strong, durable bond to the joint compound.

Easy to Cut and Shape

Patch material can be easily cut to the exact shape needed for the repair using a drywall knife, scissors, or metal shears.

Fiber Coated Composite Material

Won't crack or dent; bonds easily with joint compound creating a strong and lasting repair.

Flat Design

Grabber's new drywall patches are flatter than metal patches and are much easier finish.

5X5-in patches - Item Number: **GDWP55**

8X8-in patches - Item Number: **GDWP88**
